### Council Email Vote Minutes

River Valley Regional Commission Council was contacted by Randy Howard, RVRC Chairman, by email. He explained that the RVRC was concerned on how to continuing to conduct business during the Georgia Governor mandated "Shelter in Place" order due to the Covid-19 pandemic. Mr. Howard said the Executive Committee had reviewed the By-Laws and consulted the RVRC attorney. The attorney's suggestion was to put this recommendation to the Full council through email.

He requested a motion to recommend that the full council authorize the Executive Committee to approve any contracts, resolutions or other business that will need Full council approval until it determined to be safe to hold an RVRC council meeting again. At that time, any action that has been taken will be ratified by the Full council. The recommendation was sent, by email, to the Full council listed below.

Harry Lange, Harris County, made a motion to authorize the Executive Committee to carry out necessary business until the next RVRC Council meeting. Knox Blackmar, Talbotton, seconded the motion. A vote was taken through an online survey; 31 members responded "Yes", 3 voted "Yes" verbally, and 10 members did not vote. Motion passed.
