We Want to Hear From You!

Regional Workshops
Georgia’s 2050 Rural and Human Services Transportation Coordination Plan

The Georgia Departments of Transportation (DOT), Human Services (DHS), and Community Health (DCH) are developing a five-year update to the 2050 Rural & Human Services Transportation Coordination Plan. Virtually attend your region’s workshop to give your input, which will help these departments identify rural and human service transportation needs across the State.
